Department of Education-MIMAROPA

Dear **Director Capulong**:

February has been ascribed as the "Love Month" in many parts of the world for obvious reason. For POPCOM-MIMAROPA, February is a most opportune time to advocate for responsible adolescent sexuality and reproductive health among the very young people.

Along with the aforementioned, we have scheduled a webinar that aspires to familiarize adolescents and youth on maintaining safe and healthy connections among friends and with romantic peers. Moreover, this webinar also aims to equip local government youth officers and members with knowledge, skills, and confidence in sharing information about socioemotional wellness with their constituents who are in their youthful yet vulnerable growing years.

Dubbed "*Love and Limits: Virtual Teen Relationship in the New Normal*", this webinar scheduled on *February 17, 2022 at 1:00 PM* is jointly implemented by POPCOM-MIMAROPA and DOH-CHED MIMAROPA

At this juncture, we would want to respectfully request issuance of a Memorandum Circular by your office urging the participation of your School Health and Guidance staff and Student Government Officers to this webinar.

The webinar link, ID, and passcode are as follows
