DIVISION MEMORANDUM
No. 000098, s. 2022

**Senior High School Learners' Participation to Guidance NGO's 2021-2022
Virtual Career Expedition**

TO: OIC-Assistant School Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Secondary School Heads
Secondary School Teachers
All Others Concerned

1. Guidance NGO as a non-profit organization, exhausts selfless efforts in conducting extensive research work in areas that affect education, develop seminar materials, and disseminate using creative means.
2. In response to the needs of the graduating senior high school learners who are engaged in distance learning modality, this organization shall be sponsoring a career orientation for them throughout the country. This activity aims to achieve the following objectives:
 - a. Clarify matters pertinent to the college programs they think of pursuing. The event will unravel the key areas of study about more than 60 college programs or careers as explained to them by experts (deans, program chairs, and professors) who have mastered what the college programs are really about. Speakers in this event are doctors, lawyers, architect, engineers, educators, captains, etc.
 - b. Assist the learners in gaining exposure to a diversity of careers; not just the usual college programs they are already familiar with.
 - c. Give the learners a wider perspective of employment opportunities after finishing the college program
3. In collaboration with Occidental Mindoro Guidance Counselors and Designates Association (OMGCDA), the senior high school learners in the entire division are highly encouraged to attend to this career orientation.

4. In connection to this, the 21 secondary schools (see Enclosure No.1) which did the online registration, through their guidance counselors and career advocates, shall assist their SHS learners in their participation to this activity titled Career Expedition on March 21, 2022 (1:00-5:00 pm) via Zoom.

5. List of participating schools and activity matrix are herein attached as Enclosure Nos. 1 and 2.

6. Immediate dissemination of and strict compliance with this Memorandum are directed.
