DIVISION MEMORANDUM
No. 000280, s. 2022

**VIRTUAL ORIENTATION AND PROVISION OF TECHNICAL ASSISTANCE ON THE
IMPLEMENTATION OF ALTERNATIVE LEARNING SYSTEM (ALS)
SENIOR HIGH SCHOOL (SHS)**

TO: OIC-Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
School Heads of Senior High Schools
All Others Concerned

1. Republic Act 11510 also known as the ALS Act defines Alternative Learning System as a parallel learning system that provides a viable alternative to the existing formal instruction. The ALS program caters to out-of-school children in special cases, out-of-school youth, and out-of-school adults which include, among others, indigenous peoples, learners with disabilities, teenage mothers, socioeconomically disadvantaged learners, children in conflict with the law, persons deprived of liberty, rebel returnees, learners in emergency situations, and other marginalized sectors who have not completed basic education and are enrolled in the ALS Program.

2. Currently, only the Basic Literacy Program, Accreditation and Equivalency (elementary and junior high school) Program are being implemented. ALS Junior High School Program completers have the option to enroll in the formal Senior High School (SHS) Program. However, only few of them continue and finish Grade 12 due to varied economic and personal reasons. Therefore, there is a need to develop a contextualized ALS SHS Curriculum that provides a practical option to the existing SHS formal instruction.
