1. Alternative Learning System (ALS) Program has been evolving as it is considered a parallel learning system in the Philippines that provides a practical option to the existing formal instruction. DM-CI-2022-126 emphasizes the significance of reading competency as one criterion in the Presentation Portfolio Assessment (PPA). Reading test is a requirement to all ALS completers. It supports DepEd's mission of developing lifelong learning skills among the learners. To strengthen the reading skills of ALS learners, their teachers need to be equipped with necessary skills in diagnosing learners' reading status, explicit teaching of reading and other intervention strategies, and in monitoring learners' progress.
2. In connection with this, a two-day Capacity Building of ALS Teachers and Implementors on Reading Intervention Strategies cum Launching of Division ALSa Basa Reading Program shall be conducted on November 2-4, 2022 at Seasons Hotel and Convention Center, San Jose, Occidental Mindoro. This is a LIVE-IN activity. The participants are expected to be at the venue on Day 0-November 2, 2022 at 1:00 pm.
3. Food and accommodation of the participants and program management team shall be charged to ALS Program Support Fund, while their travelling expenses shall be
