MEMORANDUM

No. 187, s. 2022

**TO : ALL NATIONAL DRRM COUNCIL MEMBER AGENCIES
ALL REGIONAL DRRM COUNCIL MEMBER AGENCIES
ALL PROVINCIAL/CITY/MUNICIPAL DRRM COUNCILS
ALL BARANGAY DRRM COMMITTEES**

**SUBJECT : ENJOINING ALL DRRM COUNCIL MEMBER AGENCIES
TO PARTICIPATE IN THE NATIONAL DAY FOR YOUTH
IN CLIMATE ACTION**

Pursuant to Proclamation No. 1160 dated November 12, 2015, November 25 of every year is declared as National Day for Youth in Climate Action. The said proclamation was also adopted by the ASEAN through the Declaration on the Adoption of the ASEAN Youth in Climate Action and Disaster Resilience Day.

In support to this Declaration, President Ferdinand Marcos Jr., in his keynote speech during the 77th United Nations General Assembly, pronounced the urgency of collective action in addressing the effects of climate change as it reflects historical injustice where the least responsible becomes "a net carbon sink as they absorb more carbon dioxide than they emit".

The National Disaster Risk Reduction and Management Council (NDRRMC), therefore echoes the call of the National Youth Commission to all National, Regional, and Local DRRM Councils and Committees to support and commemorate the National Day for Youth in Climate Action and the ASEAN Youth in Climate Action and Disaster Resilience on November 25, 2022. For this year, the NYC will launch an online awareness campaign with the objective of building awareness and action among young Filipinos and their ASEAN counterparts.

In view thereof, all National, Regional, and Local DRRM Council/Committee member-agencies are enjoined to encourage the youths within your areas of responsibilities (AOR) to conduct climate-related activities that include but not limited to growing trees, promoting renewable energy, practicing urban gardening, utilizing rainwater, walking, biking or carpooling, leaving no trace when travelling, contributing to and sharing eco-data, promoting environmental and energy consciousness, refusing single use plastic and consuming responsibly.
