DR. LOIDA P. ADORNADO PhD, CESO VI
OIC - Schools Division Superintendent
Division of Occidental Mindoro
Department of Education- MIMAROPA Region

Dear Dr. Adornado:

Isang magiting na pagbati mula sa amin sa Ayala Foundation!

As we close this fiscal year, Ayala Foundation remains honored to partner with the Department of Education. We remain steadfast in our commitments, particularly via the ProFuturo project, where we support the MATATAG: Bansang Makabata, Batang Makabansa agenda by providing quality digital education and continuous professional development of teaching staff in our partner schools.

This year's program is made even more special because of the upcoming ProFuturo Conference entitled, "**Learning Beyond Borders: The Power of E-ducation.**" The team has carefully selected teachers who have manifested appreciation of the ProFuturo project through their dedication to classroom use, initiative to innovate, and openness to grow the project with their colleagues. These select participants will have the opportunity to learn more about digital education in the classroom, to share their experiences and best practices, and to explore ways forward to maximize the project's presence in their schools and increase its learning impact to our pupils.
