Campers are expected to prepare and cook their own meals in camp based on the proposed menu in the Camper's Guide. The first meal to be cooked by the patrol in camp is breakfast on December 2, Saturday, and the last meal will be lunch on December 6.

This is important to teach our campers how to budget and save their money by planning and writing down their purchases/food expenses each day, and adding them up at the end of the day to be divided among themselves. This will also encourage them to think about how they are spending and how they can manage their budget.

2. There will be a Trading Post inside the camp where the campers can order in advance and buy their marketing needs. Procedures on how to order and purchase perishable goods/food supplies will be discussed by the Sub-Camp Quarter Master during the orientation.
3. The Trading Post will sell packed breakfast and lunch on December 1 only.
4. A welcome dinner will be served to all the campers and guests hosted by the Southern Luzon Region and Batangas Council.
5. Campers should bring their individual refillable water bottle or tumbler, eating utensils, and a set of cooking utensils for each patrol.

6. Charcoal stoves and charcoals will be made available for sale at the Trading Post.
7. **LPG/kerosene/butane stoves** will not be allowed inside the camp.

GADGET WOODS

1. Gadget woods will be made available for sale at the Trading Post.
2. Campers should bring their own twines or straws for lashing.

TENTS

1. Campers should bring their own patrol sleeping tents and ply tents.
2. The National Program Committee has recommended the use of **dome tents for the camp because it is lighter and easier to carry. Each patrol of eight (8) girls will be allowed to bring two (2) dome tents.**
